Dear Mr. Cruikshank:

Enclosed is a proposed order for permission to bring audiovisual equipment into Judge Jordan's courtroom for the tutorial scheduled on January 12 at 9:30 am. Representatives from both sides will be using the equipment listed in the proposed order, which also includes the video equipment that Discovery Video will be using to videotape the tutorial. We understand that Judge Jordan's courtroom will be available for setting up the equipment beginning at 1:00 pm on January 11.

Thank you for your assistance with this matter.

Respectfully,
